## New Website: [home.leviton.com](http://home.leviton.com)

Consumer-Focused Site Highlights Smart Home

Dealers and Distributors,

Get the first look at our new website, <http://info.leviton.com/e/48512/2016-05-31/3twmg/167651654> - and more specifically, <http://info.leviton.com/e/48512/smarthome/3twmh1/167651654>

The new site breaks down the benefits of home automation, ties together blog articles, and highlights real use-cases for Omni and BitWise inside every room of the house. Each page refers homeowners to contact Leviton for a preferred installer.

- The ability to search by solutions; Automation, Energy Savings, Convenience, Entertainment & Safety.
- Search by a specific room within a Residential home; Bathroom, Kitchen, Basement, Garage and more.
- Need inspiration? Explore our social feed, glossary, catalogs and more.
- Educational and informative blogs about Automation, DIY, Safety & Design.
- [Join the fun. Submit a blog article](#) or better yet, have a homeowner do it!

2016 INTEGRATION GUIDE

## New Products Launching in June

PoE Switch, BitWise GUI, and Lumina Gateway

Heads up! Keep your eyes peeled as we launch several new products and important enhancements. Details are coming soon!

- **PoE Switch:**
  - 91A00-1 has been discontinued and in June will be replaced by POENS-8PT, as well as the optional mounting kit, POEMP-KIT.
- **BitWise Aleera GUI via distribution**
  - Previously, GUI's were only available via the online store. In June, you will be able to purchase the new Aleera interface template, BWGUI, from your participating distributor.
- **Lumina Gateway Enhancements:**
  - New Apps, Cloud, Setup Tools, and Franchise/Enterprise Sales Models!
  - Stay tuned for new marketing materials and training content.

## Leviton In the News

### New Articles, Blogs, and Case Studies
